

Next generation of 2F-85 & 2F-140

Your guide to everything new

**The world's best-selling
grippers are now...**

Easier to use and customize

Customizable fingertips

New locking pin design

Accessories holder

Same fixing screws as Hand-E

More robust and industry-ready

Better sealing
(IP 40)

Pin assembly
(no more C-Clip)

Covered fingers

Factory-proven hardware

— Safer and more collaborative

**More durable,
less expensive
protective covers**

**Compatible with
UR e-Series
safety function**

**Ergonomic design
with rounded edges**

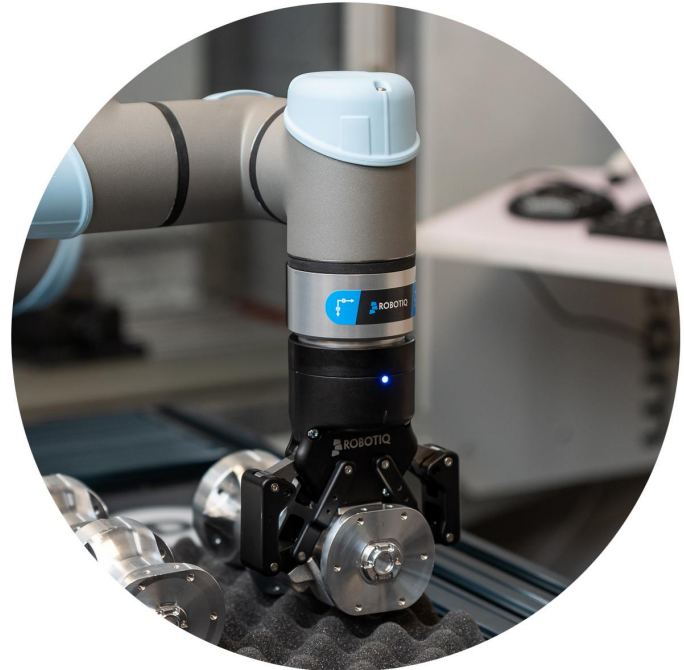

What hasn't changed

Better grippers, **same** UR Kit prices.

Same UR kit SKUs...

- e-Series:
 - AGC-ES-UR-KIT-85
 - AGC-ES-UR-KIT-140
- CB-Series:
 - AGC-UR-KIT-002
 - AGC-UR-KIT-140

Other news

Dual-gripper combos for e-Series

Benefits

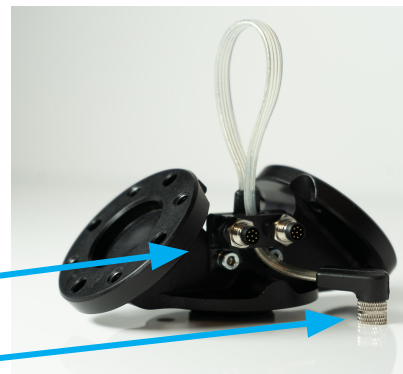

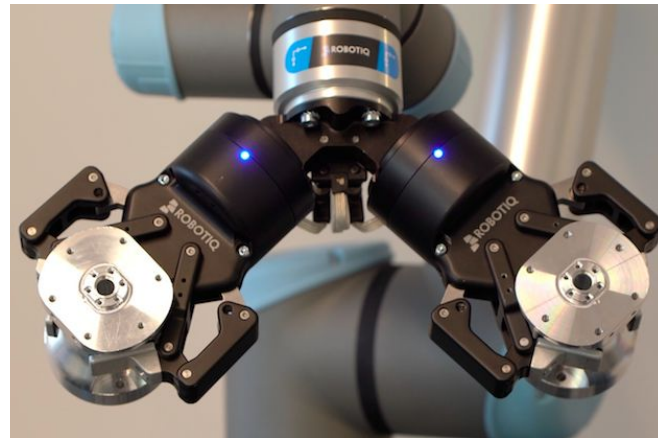

- Sold as complete kits (including mechanical coupling).
- Both grippers have a direct electrical connection at the UR wrist.

Starting Nov. 7th

Combo	SKU	Contact your CSM for details.
2X 2F-85	CUR-ES-DUAL-AGC-085	
2X 2F-140	CUR-ES-DUAL-AGC-140	
2X Hand-E	CUR-ES-DUAL-HND	

Combos include:

- 2 x UR e-Series gripper kits
- Mechanical combo coupling (Y-shaped)
- Electrical combo splitter kit (connection at the wrist connector)

Electrical connection protectors

Benefits

- Protect the electrical connection (M8) and UR Wrist connector.
- Improve safety—the connector is made of plastic and features rounded edges.

Starting Nov. 7

All e-Series Adaptive Gripper Couplings **include** protector kits.

- SKU: GRP-ES-CPL-062

You can also buy kits separately for retrofitting.

- SKU: GRP-ES-CPL-PRO

Contact your CSM for details.
